TRAINING AND SKILLS : E-LEARNING

**“New
Learning
– a New
Future”**

Whether you're facing redundancy, want to return to the workplace or just seeking a new challenge, having the right training and qualifications is an essential part of the job application process.

We are working in partnership with Charis Grants to deliver a series of e-learning modules that will help you find a new job. We know that times of change can be daunting, so we want to make the process as easy as possible. Whatever role you want to fulfil, we have a range of e-learning packages that might suit you.

The e-learning packages include:

- Basic computer skills
- Help with CV writing
- Guidance on job applications
- Specialist training modules including accounting, PRINCE2 Project Management, food safety, book-keeping and many more

Are you facing redundancy, out of work or want to change direction?

Call us on **0203 192 0486** and ask for e-learning. If you have any queries, you can e-mail us on: info@rainydaytrust.org.uk

“New Learning – a New Future”

By offering a practical solution, we can make a real difference.

Have you worked in the home improvement industry for at least 3 years, have less than £10,000 in savings and are on a low income?
